## and I'll die if I want to

BY ELIZABETH COLEMAN  
 directed by Peter Hughes

### FROM THE DIRECTOR

Brooklyn Community Theatre proudly brings you Elizabeth Coleman's brilliant Australian play 'Its my party (and I'll die if I want to). For the first time, this year's casting was done by audition, which shows how popular our annual theatre evening has become; especially considering that casting for our first production consisted of asking locals (usually at the Pub) if they would like to act in a play - 'yeah! why not? sounds good, like another beer?

My job is purely to deal with the play itself but in never ceases to amaze me the amount of interest, work and general help is generously offered from the community. Our team thanks to you all. To my very special cast - break a leg! To you the audience - enjoy!
